

Am I Making Myself Clear Secrets Of The Worlds Greatest Communicators

15th November 2023

Am I Making Myself Clear?-Terry Felber 2008-07-13 In Am I Making Myself Clear?, business leader and author Terry Felber shares the secrets of the world’s greatest communicators, equipping readers to do everything from participating in a meaningful conversation to successfully consummating a business discussion. Through ten essential skills, including such concepts as the Art of Unspoken Language, the Art of Encouragement, and the Art of Problem Solving, he shows readers how to achieve real communication. With its practical and easy-to-follow insights, Am I Making Myself Clear? is an invaluable resource for managers, couples, and parents seeking to improve their personal and professional relationships and chart a course for success. "Good communication is the foundation of all healthy relationships. Am I Making Myself Clear? examines this subject in a simple and articulate fashion. This in-depth study is important reading for everyone who wants to enrich their family, social, and business interactions." ?Ron Puryear, Worldwide Group "Am I Making Myself Clear? defines in a clear and concise way the elements that are key to successful communication. The illustrations and 'power points' in the text create an easy-to-read classic on this subject." ?Bill Britt, Trinity Motivation

Do I Make Myself Clear?-Harold Evans 2017-05-16 *New York Times Bestseller * One of NPR's Best Books of 2017 A wise and entertaining guide to writing English the proper way by one of the greatest newspaper editors of our time. Harry Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger. He's even been knighted for his services to journalism. In DO I MAKE MYSELF CLEAR?, he brings his indispensable insight to us all in his definite guide to writing well. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK, and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of every kind we see a trend towards more–more speed and more information but far less clarity. Evans provides practical examples of how editing and rewriting can make for better communication, even in the digital age. DO I MAKE MYSELF CLEAR? is an essential text, and one that will provide every writer an editor at his shoulder.

The Legend of the Monk and the Merchant-Terry Felber 2012-12-31 Every life requires a spiritual foundation. "Grandfather, you left this..." Julio lifted the leather-bound journal and stepped toward the old man. "It is yours now," said Antonio, with a gleam in his eye. "I've lived my life according to the twelve principles recorded in it. And if you will apply its principles as I did, your success will be greater than you could ever imagine." Be a minister in the marketplace.Terry Felber has written a parable that will transform your life and your business. Many years ago, this ago book helped Dave Ramsey rediscover the marketplace as a mission field--and merchants as ministers. Now let it open your eyes to the opportunities for service and leadership all around you. Are you ready for a change?The Legend of the Monk and the Merchant will change the way you see yourself, your job, and your purpose. Now includes personal and small group study guide.

Atomic Habits-James Clear 2018-10-16 The #1 New York Times bestseller. Over 2 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving–every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits–whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Wherever You Go, There You Are-Jon Kabat-Zinn 2009-07-01 The time-honored national bestseller, updated with a new afterword, celebrating 10 years of influencing the way we live. When Wherever You Go, There You Are was first published in 1994, no one could have predicted that the book would launch itself onto bestseller lists nationwide and sell over 750,000 copies to date. Ten years later, the book continues to change lives. In honor of the book's 10th anniversary, Hyperion is proud to be releasing the book with a new afterword by the author, and to share this wonderful book with an even larger audience.

What I Know For Sure-Oprah Winfrey 2014-09-02 As a creative force, student of the human heart and soul, and champion of living the life you want, Oprah Winfrey stands alone. Over the years, she has made history with a legendary talk show - the highest-rated program of its kind, launched her own television network, become the nation's only African-American billionaire, and been awarded both an honorary degree by Harvard University and the Presidential Medal of Freedom. From all her experiences, she has gleaned life lessons—which, for fourteen years, she's shared in O, The Oprah Magazine's widely popular "What I Know For Sure" column, a monthly source of inspiration and revelation. Now, for the first time, these thoughtful gems have been revised, updated, and collected in What I Know For Sure, a beautiful cloth bound book with a ribbon marker, packed with insight and revelation from Oprah Winfrey. Organized by theme—joy, resilience, connection, gratitude, possibility, awe, clarity, and power—these essays offer a rare, powerful and intimate glimpse into the heart and mind of one of the world's most extraordinary women—while providing readers a guide to becoming their best selves. Candid, moving, exhilarating, uplifting, and frequently humorous, the words Oprah shares in What I Know For Sure shimmer with the sort of truth that readers will turn to again and again.

We Begin at the End-Chris Whitaker 2021-03-02 There are two kinds of families: the ones we are born into and the ones we create. Walk has never left the coastal California town where he grew up. He may have become the chief of police, but he’s still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. Now, thirty years later, Vincent is being released. Duchess is a thirteen-year-old self-proclaimed outlaw. Her mother, Star, grew up with Walk and Vincent. Walk is in overdrive trying to protect them, but Vincent and Star seem bent on sliding deeper into self-destruction. Star always burned bright, but recently that light has dimmed, leaving Duchess to parent not only her mother but her five-year-old brother. At school the other kids make fun of Duchess—her clothes are torn, her hair a mess. But let them throw their sticks, because she'll throw stones. Rules are for other people. She's just trying to survive and keep her family together. A fortysomething-year-old sheriff and a thirteen-year-old girl may not seem to have a lot in common. But they both have come to expect that people will disappoint you, loved ones will leave you, and if you open your heart it will be broken. So when trouble arrives with Vincent King, Walk and Duchess find they will be unable to do anything but usher it in, arms wide closed. Chris Whitaker has written an extraordinary novel about people who deserve so much more than life serves them. At times devastating, with flashes of humor and hope throughout, it is ultimately an inspiring tale of how the human spirit prevails and how, in the end, love—in all its different guises—wins.

Little Weirds-Jenny Slate 2019-11-05 One of Vanity Fair's Great Quarantine Reads: Step into Jenny Slate's wild imagination in this "magical" (Mindy Kaling), "delicious" (Amy Sedaris), and "poignant" (John Mulaney) New York Times bestseller about love, heartbreak, and being alive -- "this book is something new and wonderful" (George Saunders). You may "know" Jenny Slate from her Netflix special, Stage Fright, as the creator of Marcel the Shell, or as the star of "Obvious Child." But you don't really know Jenny Slate until you get bonked on the head by her absolutely singular writing style. To see the world through Jenny's eyes is to see it as though for the first time, shimmering with strangeness and possibility. As she will remind you, we live on an ancient ball that rotates around a bigger ball made up of lights and gasses that are science gasses, not farts (don't be immature). Heartbreak, confusion, and misogyny stalk this blue-green sphere, yes, but it is also a place of wild delight and unconstrained vitality, a place where we can start living as soon as we are born, and we can be born at any time. In her dazzling, impossible-to-categorize debut, Jenny channels the pain and beauty of life in writing so fresh, so new, and so burstingly alive, we catch her vision like a fever and bring it back out into the bright day with us, where everything has changed.

What Got You Here Won't Get You There-Marshall Goldsmith 2010-09-03 Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

Set Boundaries, Find Peace-Nedra Glover Tawwab 2021 "Healthy boundaries. We all know we should have them—in order to achieve work/life balance, cope with toxic people, and enjoy rewarding relationships with partners, friends, and family. But what do "healthy boundaries" really mean—and how can we successfully express our needs, say "no," and be assertive without offending others?"--

The Origins of Creativity-Edward O. Wilson 2017-10-03 “Brimming with ideas. . . . The Origins of Creativity approach[es] creativity scientifically but sensitively, feeling its roots without pulling them out.”—Economist In a stirring exploration of human nature recalling his foundational work Consilience, Edward O. Wilson offers a “luminous” (Kirkus Reviews) reflection on the humanities and their integral relationship to science. Both endeavors, Wilson argues, have their roots in human creativity—the defining trait of our species. By studying fields as diverse as paleontology, evolution, and neurobiology, Wilson demonstrates that creative expression began not 10,000 years ago, as we have long assumed, but more than 100,000 years ago in the Paleolithic Age. A provocative investigation into what it means to be human, The Origins of Creativity reveals how the humanities have played an unexamined role in defining our species. With the eloquence, optimism, and pioneering inquiry we have come to expect from our leading biologist, Wilson proposes a transformational “Third Enlightenment” in which the blending of science and humanities will enable a deeper understanding of our human condition, and how it ultimately originated.

How to Be an Antiracist-Ibram X. Kendi 2019-08-13 #1 NEW YORK TIMES BESTSELLER • From the National Book Award–winning author of Stamped from the Beginning comes a “groundbreaking” (Time) approach to understanding and uprooting racism and inequality in our society—and in ourselves. “The most courageous book to date on the problem of race in the Western mind.”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • The Washington Post • Shelf Awareness • Library Journal • Publishers Weekly • Kirkus Reviews Antiracism is a transformative concept that reorients and reenergizes the conversation about racism—and, even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. At its core, racism is a powerful system that creates false hierarchies of human value; its warped logic extends beyond race, from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes, gender identities, and body types. Racism intersects with class and culture and geography and even changes the way we see and value ourselves. In How to Be an Antiracist, Kendi takes readers through a widening circle of antiracist ideas—from the most basic concepts to visionary possibilities—that will help readers see all forms of racism clearly, understand their poisonous consequences, and work to oppose them in our systems and in ourselves. Kendi weaves an electrifying combination of ethics, history, law, and science with his own personal story of awakening to antiracism. This is an essential work for anyone who wants to go beyond the awareness of racism to the next step: contributing to the formation of a just and equitable society. Praise for How to Be an Antiracist “Ibram X. Kendi’s new book, How to Be an Antiracist, couldn’t come at a better time. . . . Kendi has gifted us with a book that is not only an essential instruction manual but also a memoir of the author’s own path from anti-black racism to anti-white racism and, finally, to antiracism. . . . How to Be an Antiracist gives us a clear and compelling way to approach, as Kendi puts it in his introduction, ‘the basic struggle we’re all in, the struggle to be fully human and to see that others are fully human.’ ”—NPR “Kendi dissects why in a society where so few people consider themselves to be racist the divisions and inequalities of racism remain so prevalent. How to Be an Antiracist punctures the myths of a post-racial America, examining what racism really is—and what we should do about it.”—Time

The Art of Thinking Clearly-Rolf Dobelli 2014-05-06 Have you ever . . . Invested time in something that, in hindsight, just wasn't worth it? Paid too much in an eBay auction? Continued to do something you knew was bad for you? Sold stocks too late, or too early? Taken credit for success, but blamed failure on external circumstances? Backed the wrong horse? These are examples of what the author calls cognitive biases, simple errors all of us make in day-to-day thinking. But by knowing what they are and how to identify them, we can avoid them and make better choices: whether in dealing with personal problems or business negotiations, trying to save money or earn profits, or merely working out what we really want in life—and strategizing the best way to get it. Already an international bestseller, The Art of Thinking Clearly distills cutting-edge research from behavioral economics, psychology, and neuroscience into a clever, practical guide for anyone who's ever wanted to be wiser and make better decisions. A novelist, thinker, and entrepreneur, Rolf Dobelli deftly shows that in order to lead happier, more prosperous lives, we don't need extra cunning, new ideas, shiny gadgets, or more frantic hyperactivity—all we need is less irrationality. Simple, clear, and always surprising, this indispensable book will change the way you think and transform your decision making—at work, at home, every day. From why you shouldn't accept a free drink to why you should walk out of a movie you don't like, from why it's so hard to predict the future to why you shouldn't watch the news, The Art of Thinking Clearly helps solve the puzzle of human reasoning.

Entrepreneurial Leap-Gino Wickman 2019-10-15 You've thought about starting your own business . . . but how can you decide if you should really take the leap? There's a lot on the line, and you have to ask yourself difficult questions: Do I have what it takes? Is it worth it? And how the hell do I do it? You need answers, not bullshit. This book has them. Entrepreneurial Leap: Do You Have What it Takes to Become an Entrepreneur? is an easy-to-use guide that will help you decide, once and for all, if entrepreneurship is right for you—because success as an entrepreneur depends on far more than just a great idea and a generous helping of luck. In this three-part book, Gino Wickman, bestselling author of Traction, reveals the six essential traits that every entrepreneur needs in order to succeed, based on real-world startups that have reached incredible heights. If these traits ring true for you, you'll get a glimpse of what your life would look like as an entrepreneur. What's more, Wickman will help you determine what type of business best suits your unique skill set and provide a detailed roadmap, with tools, tips, and exercises, that will accelerate your path to startup success. Packed with real-life stories and practical advice, Entrepreneurial Leap is a simple how-to manual for BIG results. Should you take the leap toward entrepreneurship? Find out today and let tomorrow be the first step in your new journey, whatever shape it may take.

Beautiful Things-Hunter Biden 2021-04-06 NEW YORK TIMES BESTSELLER “I come from a family forged by tragedies and bound by a remarkable, unbreakable love,” Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In Beautiful Things, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

12th November 2023

Making Sense of Science-Cornelia Dean 2017-03-13 Cornelia Dean draws on her 30 years as a science journalist with the New York Times to expose the flawed reasoning and knowledge gaps that handicap readers when they try to make sense of science. She calls attention to conflicts of interest in research and the price society pays when science journalism declines and funding dries up.

What They Don't Teach You at Harvard Business School-Mark H. McCormack 2016-02-17 This business classic features straight-talking advice you'll never hear in school. Featuring a new foreword by Ariel Emanuel and Patrick Whitesell Mark H. McCormack, one of the most successful entrepreneurs in American business, is widely credited as the founder of the modern-day sports marketing industry. On a handshake with Arnold Palmer and less than a thousand dollars, he started International Management Group and, over a four-decade period, built the company into a multimillion-dollar enterprise with offices in more than forty countries. To this day, McCormack's business classic remains a must-read for executives and managers at every level. Relating his proven method of "applied people sense" in key chapters on sales, negotiation, reading others and yourself, and executive time management, McCormack presents powerful real-world guidance on • the secret life of a deal • management philosophies that don't work (and one that does) • the key to running a meeting—and how to attend one • the positive use of negative reinforcement • proven ways to observe aggressively and take the edge • and much more Praise for What They Don't Teach You at Harvard Business School "Incisive, intelligent, and witty, What They Don't Teach You at Harvard Business School is a sure winner—like the author himself. Reading it has taught me a lot."—Rupert Murdoch, executive chairman, News Corp, chairman and CEO, 21st Century Fox "Clear, concise, and informative. . . Like a good mentor, this book will be a valuable aid throughout your business career."—Herbert J. Siegel, chairman, Chris-Craft Industries, Inc. "Mark McCormack describes the approach I have personally seen him adopt, which has not only contributed to the growth of his business, but mine as well."—Arnold Palmer "There have been what we love to call dynasties in every sport. IMG has been different. What this one brilliant man, Mark McCormack, created is the only dynasty ever over all sport."—Frank Deford, senior contributing writer, Sports Illustrated

The Artist's Way-Julia Cameron 2002 Presents a twelve-week program intended to increase creativity by capturing the creative energy of the universe.

Paradise Lost-John Milton 1893

Laziness Does Not Exist-Devon Price 2021-01-05 From social psychologist Dr. Devon Price, a fascinating and thorough examination of what they call the "laziness lie"—which falsely tells us we are not working or learning hard enough—filled with practical and accessible advice for overcoming society's pressure to "do more." Extra-curricular activities. Honors classes. 60-hour work weeks. Side hustles. Like many Americans, Dr. Devon Price believed that productivity was the best way to measure self-worth. Price was an overachiever from the start, graduating from both college and graduate school early, but that success came at a cost. After Price was diagnosed with a severe case of anemia and heart complications from overexertion, they were forced to examine the darker side of all this productivity. Laziness Does Not Exist explores the psychological underpinnings of the "laziness lie," including its origins from the Puritans and how it has continued to proliferate as digital work tools have blurred the boundaries between work and life. Using in-depth research, Price explains that people today do far more work than nearly any other humans in history yet most of us often still feel we are not doing enough. Dr. Price offers science-based reassurances that productivity does not determine a person's worth and suggests that the solution to problems of overwork and stress lie in resisting the pressure to do more and instead learn to embrace doing enough. Featuring interviews with researchers, consultants, and experiences from real people drowning in too much work, Laziness Does Not Exist encourages us to let go of guilt and become more attuned to our own limitations and needs and resist the pressure to meet outdated societal expectations.

You Are a Badass®-Jen Sincero 2013-04-23 Packed with humor, inspiration, and advice, You Are a Badass is the #1 New York Times bestselling self-help book that teaches you how to get better without getting busted. In this refreshingly entertaining how-to guide, bestselling author and world-traveling success coach, Jen Sincero, serves up twenty-seven bite-sized chapters full of hilariously inspiring stories, sage advice, easy exercises, and the occasional swear word, helping you to: Identify and change the self-sabotaging beliefs and behaviors that stop you from getting what you want, Create a life you totally love. And create it NOW, and Make some damn money already. The kind you've never made before. By the end of You Are a Badass, you'll understand why you are how you are, how to love what you can't change, how to change what you don't love, and how to use The Force to kick some serious ass.

Empty Your Cup-Yong Kang Chan 2017-05-20 Struggling with low self-esteem? Still feeling inferior, unworthy and not good enough despite all your effort to change? On the surface, we should be happy. We have all the things we need - a decent job, a stable income, and great friends. We have improved our self-confidence. We thought that we had overcome our low self-esteem issues. But yet, deep down inside, nothing has changed - we still feel inferior to others. Why is this so? Why don't we love ourselves? The truth is we have been solving the wrong problem. We thought that by being more successful and confident, we will feel good about ourselves. But low self-esteem is a perception problem, it has nothing to do with our success or confidence. You can be wealthy, beautiful, or well liked by others and still don't feel good about yourself. You will understand more about this in Empty Your Cup. Download - Empty Your Cup: Why We Have Low Self-Esteem and How Mindfulness Can Help The purpose of this book is to help you empty everything you believe about yourself and reconnect with your spiritual self. Throughout this book, the cup is used as an analogy for the mind. You'll learn: The causes and impacts of low self-esteem How beliefs are formed 6 reasons why changing negative beliefs into positive beliefs is not entirely effective in the long run What mindfulness is The differences between the spirit and the mind What spiritual awakening feels like and ways to stay awake How mindfulness can help you love yourself Empty Your Cup is a simple book that isn't technical at all. You don't need any prior psychology or spirituality knowledge to understand the teachings in this book. So are you ready to let go of everything you believe about yourself and learn to love yourself again? Scroll to the top of the page and get a copy of Empty Your Cup now!

The Generosity Factor-Ken Blanchard 2009-05-26 In the tradition of the bestselling book The One Minute Manager®, authors Ken Blanchard and S. Truett Cathy, entrepreneur and founder of Chic-fil-A® restaurants, present this Ebook of The Generosity Factor™—a parable that demonstrates the virtues of generosity.It's the story of a meeting between the Broker—a young man on his way up the corporate ladder who has the illusion of success, yet deep inside feels insignificant—and the Executive—the CEO of a very large and successful company who claims the greatest joy in his life is his ability to give to others.Thinking he might get a competitive edge by meeting with the Executive, the Broker's worldview is turned upside down as he talks to the Executive and hears the principles that form his life. He calls it The Generosity Factor™—a way to give time, talent, treasure, and touch to those in need.Providing a unique twist on what it means to thrive in business, at home, and in life, this story will forever change your definition of success.

Infinite Jest-David Foster Wallace 2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic

No Choirboy: Murder, Violence, and Teenagers on Death Row-Susan Kuklin 2013-10-01 No Choirboy takes readers inside America's prisons, and allows inmates sentenced to death as teenagers to speak for themselves. In their own voices—raw and uncensored—they talk about their lives in prison, and share their thoughts and feelings about how they ended up there. Susan Kuklin also gets inside the system, exploring capital punishment itself and the intricacies and inequities of criminal justice in the United States. This is a searing, unforgettable read, and one that could change the way we think about crime and punishment. No Choirboy: Murder, Violence, and Teenagers on Death Row is a 2009 Bank Street - Best Children's Book of the Year.

Principles-Ray Dalio 2018-08-07 #1 New York Times Bestseller "Significant...The book is both instructive and surprisingly moving." —The New York Times Ray Dalio, one of the world's most successful investors and entrepreneurs, shares the unconventional principles that he's developed, refined, and used over the past forty years to create unique results in both life and business—and which any person or organization can adopt to help achieve their goals. In 1975, Ray Dalio founded an investment firm, Bridgewater Associates, out of his two-bedroom apartment in New York City. Forty years later, Bridgewater has made more money for its clients than any other hedge fund in history and grown into the fifth most important private company in the United States, according to Fortune magazine. Dalio himself has been named to Time magazine's list of the 100 most influential people in the world. Along the way, Dalio discovered a set of unique principles that have led to Bridgewater's exceptionally effective culture, which he describes as "an idea meritocracy that strives to achieve meaningful work and meaningful relationships through radical transparency." It is these principles, and not anything special about Dalio—who grew up an ordinary kid in a middle-class Long Island neighborhood—that he believes are the reason behind his success. In Principles, Dalio shares what he's learned over the course of his remarkable career. He argues that life, management, economics, and investing can all be systemized into rules and understood like machines. The book's hundreds of practical lessons, which are built around his cornerstones of "radical truth" and "radical transparency," include Dalio laying out the most effective ways for individuals and organizations to make decisions, approach challenges, and build strong teams. He also describes the innovative tools the firm uses to bring an idea meritocracy to life, such as creating "baseball cards" for all employees that distill their strengths and weaknesses, and employing computerized decision-making systems to make believability-weighted decisions. While the book brims with novel ideas for organizations and institutions, Principles also offers a clear, straightforward approach to decision-making that Dalio believes anyone can apply, no matter what they're seeking to achieve. Here, from a man who has been called both "the Steve Jobs of investing" and "the philosopher king of the financial universe" (CIO magazine), is a rare opportunity to gain proven advice unlike anything you'll find in the conventional business press.

The ONE Thing-Gary Keller 2013-04-01 • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In The ONE Thing, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you The ONE Thing delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

Feminism Is for Everybody-bell hooks 2014-10-10 What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.

The All-or-Nothing Marriage-Eli J. Finkel 2018-11-08 The institution of marriage is struggling. This book reverse engineers the best marriages - from the 'traditional' to the utterly non-traditional - showing how any marriage can be better. Ultimately, this much-needed book delivers practical advice for immediate action as well as long-term strategies: seven 'love hacks' that take little time or reflection; four categories of how to channel greater levels of effort; and three ways of recalibrating the marriage so expectations match reality - and happiness can flourish.

Song of Myself ...-Walt Whitman 1904

Very Good Lives-J. K. Rowling 2015-04-14 J.K. Rowling, one of the world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, VERY GOOD LIVES presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how can we use our imagination to better both ourselves and others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force.

Everyone Communicates, Few Connect-John C. Maxwell 2010-03-28 World-renowned leadership expert and bestselling author John C. Maxwell says if you want to be an effective leader, you must learn how to connect with people. While it may seem like some folks are just born with a commanding presence that draws people in, the fact is anyone can learn to communicate in ways that consistently build powerful connections. Everyone Communicates, Few Connect, helps you succeed by revealing Maxwell's Five Principles and Five Practices to develop this crucial skill of connecting, including: finding common ground, keeping your communication simple, capturing people's interest, inspiring people, and staying authentic in all your relationships. Your ability to achieve results in any organization--be it a company, church, nonprofit, or even in your family--is directly tied to the leadership skills in your toolbox. Connecting is an easy-to-learn skill you can apply today in your personal, professional, and family relationships to start living your best life.
