

# Where The River Runs

**Where the River Runs**-Patti Callahan Henry 2005-05-03 New York Times bestselling author Patti Callahan Henry delivers an engaging novel about a South Carolina woman who goes back home to face the past—and discovers herself. Meridy Dresden was once a free-spirited, fun-loving girl. All that changed when the boy she loved was killed in a tragic fire. Since then, she alone has carried the burden of a terrible secret. Now, years later, married to a wonderful man and mother of a teenage son, she is shocked to learn that a childhood friend is being blamed for that long-ago fire. Fearful but determined, Meridy returns to the South Carolina Lowcountry and summons the courage to make a decision that may destroy her well-ordered life, her family's reputation, her contented marriage, and everything she's worked so hard to protect...including her heart. "Brilliant. Powerful. Magical. Do not miss this book."—New York Times bestselling author Haywood Smith

**Where The River Runs Deep**-Joy J. Jackson 1999-03-01 Joy J. Jackson's *Where the River Runs Deep* tells two stories—both significant and both fascinating. It is a biography of the author's father, Oliver Jackson, who spent virtually his entire life on or near the Mississippi River. And it is a history of the river itself, and the many changes that have transformed it in the twentieth century. Born in an oysterman's camp in south Louisiana, only a few miles from the Gulf of Mexico, and raised in an orphanage in New Orleans, Oliver Jackson (1896-1985) grew up to become a pilot boat crew member, a merchant seaman, a tugboat-man, and ultimately a Mississippi River pilot, the profession to which he had always aspired. Drawing extensively on oral history, including a series of audiotapes her father recorded before his death, Jackson presents a detailed social history not only of her father and his forebears but of a way of life now past. She vividly portrays village life in once-thriving but now-vanished river communities such as Port Eads and Burrwood in the delta below New Orleans, and in such working-class areas of the city as the Irish Channel. And she provides detailed descriptions of the early days of riverboat piloting between New Orleans and Baton Rouge and of tugboat work in the New Orleans harbor. Throughout, she evokes the special passion and respect that pilots have always had for their work and the river. Woven into Jackson's narrative of her father's life and career is a history of the profound changes in life and commerce on the Mississippi River since the turn of the century. During Oliver Jackson's lifetime, cotton gave way to petroleum as the major product transported on the lower Mississippi, while steamboats faded away and were replaced by towboats, with their long lines of barges. After mid-century many of the plantations and rural homesteads that had lined the banks of the river since the eighteenth and nineteenth centuries were crowded by the increasing presence of petrochemical plants. Jackson also writes about such calamitous events as the hurricane of 1915 and the great flood of 1927, and she describes the menace of German submarines at the mouth of the Mississippi during America's early months in World War II. *Where the River Runs Deep* is a story of river life unlike any other. It will appeal to students of regional history and family history, as well as to anyone fascinated by the lore of the Mississippi.

**Where the River Runs**-Fleur McDonald 2018-10-24 'Fleur McDonald has a wonderful way with telling rural stories in a special way ... A great summer read.' Samstillreading on Suddenly One Summer Ten years ago, thirty-year-old Chelsea Taylor left the small country town of Barker and her family's property to rise to the top as a concert pianist. With talent, ambition and a determination to show them all at home, Chelsea thought she had it made. Yet here she was, back in Barker, with her four-year-old daughter, Aria, readying herself to face her father, Tom. The father who'd shouted down the phone ten years ago never to come home again. With an uneasy truce developing, Chelsea and Aria settle into the rhythm of life on the land with Tom and Cal, the farmhand, who seems already to have judged Chelsea badly. Until a shocking discovery is made on the riverbed and Detective Dave Burrows, the local copper, has to tear back generations of family stories to reveal the secrets of the past. Chelsea just wants a relationship with her dad but will he ever want that too? Or will his memory lapses mean they'll never get that opportunity? Praise for Fleur McDonald 'Drawing on her own experiences with rural Australia, Fleur has used these skills to weave a moving tale.' Highlife Magazine 'A rural novel of courage, family and survival ... McDonald weaves the varying threads together strongly.' Aussie Reviews

**A River Runs through It and Other Stories**-Norman Maclean 2017-05-03 When Norman Maclean sent the manuscript of *A River Runs through It and Other Stories* to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, "it has trees in it." Forty years later, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the interlocked beauty of life and art—*A River Runs through It* has established itself as a classic of the American West. This new edition will introduce a fresh audience to Maclean's beautiful prose and understated emotional insights. Elegantly redesigned, *A River Runs through It* includes a new foreword by Robert Redford, director of the Academy Award-winning 1992 film adaptation of *River*. Based on Maclean's own experiences as a young man, the book's two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean's own words, "a little of the love I have for the earth as it goes by."

**Where the River Flows**-Sean W. Fleming 2019-08-06 The vital interconnections that rivers share with the land, the sky, and us Rivers are essential to every aspect of civilization, from brewing beer to building computers, yet how many of us understand how they work? *Where the River Flows* takes you on a journey along our planet's waterways, providing a scientist's reflections on the profound interrelationships that rivers have with landscapes, ecosystems, and societies. Drawing on examples ranging from backyard creeks to evocative rivers like the Mississippi, Yangtze, Thames, and Congo, Sean Fleming looks at rivers through the lens of physics, using

abundant graphics and intuitive analogies to explore surprising connections between watershed hydrology and the world around us. He explains how river flows fluctuate like stock markets, what “digital rainbows” tell us about climate change and its effects on water, how building virtual watersheds in silicon may help avoid water wars, and more. Along the way, you’ll see what communications theory, fractals, artificial life, and other exciting scientific ideas reveal about the life of rivers.

**Where the River Runs Gold**-Sita Brahmachari 2019-07-01 \*Sita Brahmachari is a World Book Day author for 2021 with gorgeous short story, *The River Whale!*\* Two children must risk everything to escape their fate and find the impossible . . . bold adventure, timely climate change themes and breathtaking writing, from award-winning author Sita Brahmachari. 'Lavishly written and full of love of the natural world.' - Sunday Times Shifa and her brother, Themba, live in Kairos City with their father, Nabil. The few live in luxury, whilst the millions like them crowd together in compounds, surviving on meagre rations and governed by Freedom Fields - the organisation that looks after you, as long as you opt in. The bees have long disappeared; instead children must labour on farms, pollinating crops by hand so that the nation can eat. The farm Shifa and Themba are sent to is hard and cruel. Themba won't survive there and Shifa comes up with a plan to break them out. But they have no idea where they are - their only guide is a map drawn from the ramblings of a stranger. The journey ahead is fraught with danger, but Shifa is strong and knows to listen to her instincts - to let love guide them home. The freedom of a nation depends on it . . . Endorsed by Amnesty International.

**River Runs Deep**-Jennifer Bradbury 2015-07-21 Twelve-year-old Elias is sent to Mammoth Cave in Kentucky to fight a case of consumption--and ends up fighting for the lives of a secret community of escaped slaves traveling along the Underground Railroad.

**Home Waters**-John N. Maclean 2021-06-01 “BEAUTIFUL. ... A lyrical companion to his father’s classic, *A River Runs through It*, chronicling their family’s history and bond with Montana’s Blackfoot River. ... Spectacularly vivid.” —Washington Post A New York Times "New & Noteworthy" Selection A "poetic" and "captivating" (Publishers Weekly) memoir about the power of place to shape generations, *Home Waters* is John N. Maclean's remarkable memoir of his family's century-long love affair with Montana's majestic Blackfoot River, the setting for his father's classic novella, *A River Runs through It*. Maclean returns annually to the simple family cabin that his grandfather built by hand, still in search of the trout of a lifetime. When he hooks it at last, decades of longing promise to be fulfilled, inspiring John, reporter and author, to finally write the story he was born to tell. A book that will resonate with everyone who feels deeply rooted to a landscape, *Home Waters* is chronicle of a family who claimed a river, from one generation to the next, of how this family came of age in the 20th century and later as they scattered across the country, faced tragedy and success, yet were always drawn back to the waters that bound them together. Here are the true stories behind the beloved characters fictionalized in *A River Runs through It*, including the Reverend Maclean, the patriarch who introduced the family to fishing; Norman, who balanced a life divided between literature and the tug of the rugged West; and tragic yet luminous Paul (played by Brad Pitt in Robert Redford’s film adaptation), whose mysterious death has haunted the family and led John to investigate his uncle’s murder and reveal new details in these pages. A universal story about nature, family, and the art of fly fishing, Maclean’s memoir beautifully portrays the inextricable ways our personal histories are linked to the places we come from—our home waters. Featuring twelve wood engravings by Wesley W. Bates and a map of the Blackfoot River region.

**As the River Runs**-Stephen Scourfield 2013 In the Kimberley region of Australia, water is plentiful, but in the city, it is precious and political. Government minister Michael Money has cooked up a secret plan to bring water from the monsoonal north of Australia to the south, but he needs to find out what opposition he might face around the river valley. He sends his chief of staff Kate Kennedy - young, focused, and well-versed in power play - and political fixer Jack Cole on a 'fact-finding' trip. Ex-greenie Dylan Ward is their guide; well-regarded by both the mining industry and Aboriginal elder Vincent Yimi. Dylan is unaware that he has been compromised until their journey takes some unexpected turns. As they travel through the wild river country, Kate begins to see Dylan in a new light. When she changes sides to be with Dylan and safeguard a precious and sensitive area that she has so quickly come to love, her political edge comes into play. *As the River Runs* is a powerful ode to one of Australia's most stunning regions. The story is written by Stephen Scourfield, who knows the landscape intimately and writes with red dust in his veins. The book is hopeful for change, both in people and in government policy, and is highly relevant, covering issues such as: water shortages, the environment, resourcing remote communities, solar power, politics, Aboriginal culture, mining, etc. [*As the River Runs* is a loose sequel to Scourfield's previous novel, *Other Country* (ISBN 978 1 74258 503 1), which sold 7,000 copies. *Other Country* won the Western Australian Premier's Book Award in 2007, was shortlisted in the Commonwealth Writers Prize, and was longlisted for the 2009 International IMPAC Dublin Literary Award. Scourfield is also a recipient of a United Nations Media Award.]

**The River Runs Black**-Elizabeth C. Economy 2011-01-15 China's spectacular economic growth over the past two decades has dramatically depleted the country's natural resources and produced skyrocketing rates of pollution. Environmental degradation in China has also contributed to significant public health problems, mass migration, economic loss, and social unrest. In *The River Runs Black*, Elizabeth C. Economy examines China's growing environmental crisis and its implications for the country's future development. Drawing on historical research, case studies, and interviews with officials, scholars, and activists in China, the author traces the economic and political roots of China's environmental challenge and the evolution of the leadership's response. She argues that China's current approach to environmental protection mirrors the one embraced for economic development: devolving authority to local officials, opening the door to private actors, and inviting participation from the international community, while retaining only weak central control. The result has been a patchwork of environmental protection in which a few wealthy regions with strong leaders and international ties improve their local environments, while most of the country continues to deteriorate, sometimes suffering irrevocable damage. Economy compares China's response with the experience of other societies and sketches out several possible futures for the country. This second edition is updated with information about events during the past five years, covering China's tumultuous transformation of its economy and its landscape as it deals with the political implications of this behavior as viewed by an international

community ever more concerned about climate change and dwindling energy resources.

**Where the River Runs**-Nancy Price Graff 1994 Describes the experiences of a family of Cambodian refugees as they learn to adjust to a different way of life in the United States while holding on to their ethnic heritage.

**Only the River Runs Free**-Bodie Thoene 1999-05 It was a time when English landlords held power over Irish tenant farmers and seeds of bitterness were sown that would last for generations. In an endeavor to eliminate all influences of Irish heritage, the English forced an intellectual and spiritual bondage on Ireland as well as a bitter physical bondage of servitude. Freedom had become so rare that the Irish coined a saying, "In Ireland only the rivers run free." Yet one poor, befuddled old woman speaks of freedom, truth, and hope. Mad Molly Fahey promises the priest and villagers that a miracle is on its way. Previous editions: 0-7852-8067-7 and 0-7852-7016-7

**A River Runs Again**-Meera Subramanian 2015-08-25 Crowded, hot, subject to violent swings in climate, with a government unable or unwilling to face the most vital challenges, the rich and poor increasingly living in worlds apart; for most of the world, this picture is of a possible future. For India, it is the very real present. In this lyrical exploration of life, loss, and survival, Meera Subramanian travels in search of the ordinary people and microenterprises determined to revive India's ravaged natural world: an engineer-turned-farmer brings organic food to Indian plates; villagers resuscitate a river run dry; cook stove designers persist on the quest for a smokeless fire; biologists bring vultures back from the brink of extinction; and in Bihar, one of India's most impoverished states, a bold young woman teaches adolescents the fundamentals of sexual health. While investigating these five environmental challenges, Subramanian discovers the stories that renew hope for a nation with the potential to lead India and the planet into a sustainable and prosperous future.

**River Runs Red**-Jeffrey J. Mariotte 2019-07-26 As teens, Molly, Byrd, and Wade faced inconceivable evil on the banks of the Rio Grande. But that was just the beginning. As adults, they encounter raging rivers, long-buried gods, and secrets worth dying-or killing-for, on the way to an epic final battle, with the fate of worlds hanging in the balance.

**Wherever the River Runs**-Kelly Minter 2014-08-01 This beautiful journey through the Amazon invites readers to search their souls and follow Jesus wherever the river runs—experiencing the adventure of knowing the poor and forgotten people He loves. In *Wherever the River Runs*, Kelly Minter invites us on a jungle adventure down a river teeming with piranhas, caymans, a beautiful people, and, especially, God's presence. Her honest and engaging narrative pulls back the curtain on one of the most captivating places on earth as well as on parts of the gospel we may be able to recite but have never fully believed. For anyone feeling complacent in their American Christianity, Kelly's story of the forgotten people of the Amazon and how they transformed her understanding of the gospel, is sure to inspire.

**A River Runs Through Me**-W.K. Alsop 2014-10-29 Jesus told His disciples not to leave Jerusalem without the Spirit's power. That same power to heal the sick and cast out demons is still relevant and available to every Christian who believes. From his thirty years of experience, W.K. Alsop answers such questions as: • Is the baptism in the Holy Spirit with the evidence of speaking in tongues for every believer today? • Is there a difference between the Spirit's baptism and the gifts of different kinds of tongues, the interpretation of tongues, and prophecy? • Why is there so much controversy in the body of Christ over this experience? • What are the benefits that come from this experience of the Spirit's baptism? • What is the power that I should expect to receive from this experience? The Holy Spirit desires to release this spiritual power through you as he did with the believers in the 1st century. Now is the time for you to pick up His mantle and demonstrate the power of the Holy Spirit in the 21st century!

**A River Runs Through it**- 1992 The screenplay for the film is accompanied by the screenwriter's comments on the difficulty in adapting the story

**A River Runs Through It and Other Stories**-Norman Maclean 2017-05-16 First published in 1976, *A River Runs through It and Other Stories* has become an American classic, touching readers with its recollections of family, flyfishing, and the author's youth in the Montana woods. By turns raunchy, caustic, and elegiac, these are superb tales that express, in Maclean's own words, "a little of the love I have for the earth as it goes by." A first offering from a 70-year-old writer, the basis of a top-grossing movie directed by Robert Redford, and the first original fiction published by the University of Chicago Press, *A River Runs through It and Other Stories* has sold more than a million copies. For this new edition, Robert Redford provides a foreword that recalls how he persuaded the reluctant Maclean to allow him to make a film of *River*.

**River Run**-Toni Dwiggin 2019-04-12 ► USA Today Bestseller ◀ THERE ARE PLENTY OF WAYS TO DIE in the Grand Canyon. Forensic geologists Cassie Oldfield and Walter Shaws investigate one way: trouble on the canyon's Colorado River. Stranded raft. Life vests unused. Rafters missing. The only clue to the fate of the rafters is a bag of pebbles caught by the bow line. Following that clue, the geologists uncover a hellish scheme. Not only are the rafters in peril, but the river itself is under attack. The race to stop it takes Cassie and Walter deep into the canyon, and onto the mighty river, putting their own survival at stake. ► All books in the series are complete novels, and can be enjoyed in any order.

**Where the Rivers Run North**-Sam Morton 2014-03-04 ONE HUNDRED THOUSAND TRAVELERS had crossed the Oregon Trail during the gold rush of 1849. Even the most backwoods warrior understood what that meant: disease, death, and conflict with the whites. As a result of the Treaty of 1851, some Indians were convinced that the country to the north-called Absaraka-might be a better option for a home range. At the very least, it held the promise of less trouble from the whites. The danger from other tribes was another matter.

**A River Runs Through It**-Norman Maclean 1989-05-15 The narrator and his brother become fascinated with fly fishing and the Big Blackfoot River

**Lazaro**-Neal Jimenez 1986

**Run, River, Run**-Ann Zwinger 1984 "The Green River runs wild, free and vigorous from southern Wyoming to northeastern Utah. Edward Abbey wrote in these pages in 1975 that Anne Zwinger's account "of the Green River and its subtle forms of life and nonlife may be taken as authoritative. 'Run, River, Run,' should serve as a standard reference work on this part of the American West for many years to come." *New York Times Book Review*

**The River Runs Black**-Elizabeth Economy 2004 China's spectacular economic growth over the past two decades has dramatically depleted the country's natural resources and produced greatly increasing rates of pollution. Elizabeth Economy examines the growing environmental crisis and its implications for future development.

**A River Ran Wild**-Lynne Cherry 2002-04 An environmental history of the Nashua River, from its discovery by Indians through the polluting years of the Industrial Revolution to the ambitious clean-up that revitalized it.

**Where The Murray River Runs**-Darry Fraser 2017-12-01 From a bestselling debut author, this Australian historical adventure romance is a compulsively readable story of hate, honour and an overwhelming love. A nineteenth-century story of greed, honour and an overwhelming love Bendigo 1890 Ard O'Rourke is Linley Seymour's perfect man. They've known each other since they were children and she has never wanted anyone else. But when she discovers Ard has fathered a child with another woman, her dreams turn to dust. Then fate takes a hand. Linley and her Aunt Cee Cee run a women's refuge and Linley finds herself unexpectedly and painfully the guardian of Ard's baby: a child that needs her protection from the greed-filled schemes of a violent man. Ard knows he has no hope with Linley and decides to follow his own path: one that brings him close to redemption. But when he learns Linley and the child are in danger, his own child at that, he cannot stop himself speeding to their aid. Will he prevail? Can Linley find it in her heart to forgive him? Or will their love come to nothing at the hands of a violent man? A compulsively readable historical adventure, set on the banks of the mighty Murray River.

**Find Me Where the River Runs Green**-Sahib J 2019-03-27 Poetry, the door to the transmundane universe of thought and emotion. "Find Me Where The River Runs Green" is different from other modern poetry books because it includes full length poem that strike deep into the heart of the reader and moves them to think deeply about the content. It is a great book to read for students and adults alike who are looking for wholesome and thoughtful content, not just emotional quotes. The poems will move readers and reconnect them to the core aspects of poetry and require them to think about the messages that flow through them as they read. Poetry is all about expressing ideas and emotions and that is just not something we see anymore but get ready to experience it. "Find Me Where The River Runs Green" will make you think hours upon hours of the true meaning of each poem and change your life forever. Thank you for reading and I hope you enjoy.

**'Til The River Runs Dry**-Rhonda Elaine Willis 2020-12-10 At a young age, Rhonda was a planner. She had a wonderful childhood and had her life all planned out. At age 9, John F. Kennedy helped her choose her purpose in life. She would be a Christian, a wife, a mom, a teacher, and a coach. It would be easy. So far everything had been fairly easy for her. So After high school she went off to change the world one student athlete at a time. The next ten years were far from easy, God had his own plan.

**River Runs Red**-Scott Alexander Hess 2019-08-11 Lambda Literary Award finalist Scott Alexander Hess's new historical novel offers readers a sultry story with menace, as a down-on-his-luck worker and a celebrated architecture in late 19th century St. Louis find themselves drawn to one another despite the machinations of a cruel man.

**When the Rivers Run Dry**-Fred Pearce 2006 Traveling to more than thirty countries to define the scientific, economic, and historical dimensions of the water crisis, offers a solution based on managing the water cycle for the maximum social good, rather than pure self-interest.

**A River Runs Through It, and Other Stories**-Norman Maclean 1976 Three short stories from Norman Maclean with a water theme.

## **Where the River Runs**-Molly Rice 1993

**River Runs Through Me**-Mark Henry Miller 2020-07 River Runs Through Me is more than fishing experiences. It offers the realities Mark faced in walking the human landscape. Yes, there are fishing moments, when a tree stump and not a fish was hooked, when the leader pinged and the fish flipped its middle fin before swimming away, when he lost the net into Tillamook Bay? In his journey, metaphorically, Mark describes the full reality of a rose—the beautiful flower, the stem and the thorns. Life cannot be one without the others. In it all, as child, as pitcher of a wicked curve, as university and seminary student, as husband, as father, as minister in local church and judicatory for a denomination, as novelist, Mark shares how life at times reaches up to touch bottom and when life is standing on top of a mountain, personal Rocky Mountain highs. Hopefully his journey, the ups and downs all together, will benefit, so your own steps can dance and not drag.

## **Little River Runs to the Sea**-Phillida Kingwill 1986

**The Chicago River**-Libby Hill 2019-02-21 Originally published: Lake Claremont Press, 2000.

## **The River Runs Salt, Runs Sweet**-Jasmina Dervisevic-Cesic 2019-02-19

## **Island Where the River Runs**-Romeo Malone 1996-06-01

## **The Quad-Cities, where the River Runs West**-Moline Dispatch Publishing Company 2007-09-01

**Into the Wild**-Jon Krakauer 2009-09-22 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

**Driftwood Summer**-Patti Callahan Henry 2009-06-02 New York Times bestselling author Patti Callahan Henry continues to spellbind readers in this rich and engaging novel of three sisters...their loves, their rivalries, and the events of one summer that change their lives. In the small seaside town of Palmetto Beach, the Sheffield sisters—responsible Riley, vivacious Maisy-Rose, and fun-loving Adelee—reunite to save the family's beach-community bookstore. But summer also marks the return of Mack Logan, whose choice of Maisy over Riley years ago destroyed the special closeness between the sisters... Now Riley, a single mom, is hiding a shattering secret about their mother. Maisy, a California designer, still blames Riley for ruining her one true love. And Adelee resents the family's intrusion into her summer plans. All three will be forced to confront the conflicts that tore them apart and the bounds of love and loyalty that still draw them together...
